

## **A LEVEL IN ACCOUNTING**

**This A Level helps students to understand the responsibilities of the accountant and the impacts of their recommendations on the business and the wider environment.**

Students will build knowledge and understanding of key concepts, principles and techniques that they can apply to real-life scenarios, developing the ability to solve problems logically, analyse data methodically, make reasoned choices and communicate their findings effectively.

### **Key Facts**

**Course Duration:** 2 Years

### **Course Contents**

Course content includes analysis and evaluation of financial information, budgeting, accounting for limited companies, capital investment appraisal, and preparation of financial statements.

This A Level is a useful qualification, whether used professionally or personally, and an excellent complementary subject to Business, Economics or Maths.

### **Features and Benefits**

This course provides a thorough grounding in the fundamental techniques of Accounting. The skills that are developed are useful across a wide range of subjects and careers.

### **Minimum Entry Requirements:**

All Loughborough College Sixth Form courses have minimum entry requirements of at least five GCSEs at grade C/4 or above, including English Language and Maths.

Subject Specific Entry Requirements:  
GCSE English Language and Maths at grade 5.

### **Progression Opportunities**

Upon completion of A Level Accounting, you will be prepared for further study at university or to explore options to study professional qualifications such as AAT, ACCA, ACA, CIMA or CIOT.
